

3rd SH International and 2nd Swimming Championships of the Small States of Europe

JUNE 12 – 13 2010

Olympic Pool “Ásvallalaug” – Hafnarfjörður - Iceland

Organization and Assistance

“Swimming Under the Midnight Sun”

The Organizer will assist all participating teams in booking of accommodation, meals and transport, as well as all other necessary matters.

We have prebooked the Hotel Hafnarfjörður with special rates.

The most convenient way of travelling in Hafnarfjörður is the public bus, which runs from the hotel to the pool. However, if some teams prefer their own transport, we will assist with that.

We will offer affordable meals (lunch and dinner) in the pool to avoid any hazards. The hotel offers breakfast, and some restaurants are close by as well.

The date of the competition means also tourist season and a large demand for hotels. Therefore we would appreciate an early booking to guarantee hotel and transport prices.

Under the Midnight Sun it will stay all the night light, the sun doesn't disappear behind the horizon and a great experience maybe for a last evening stay outside a while.

Please use our assistance:
